Dear Sheila,

We would like you to kno
how much you & your family are in
our thoughts and prayers in the dear
of your beloved Bill.

Your loved one was our
most revered Father in God who
so gently led us into a deper
understanding and knowledge of
our loving Saviour and the power of
His Holy Spirit for which we are
forever grateful.

At St Margaret's this morni
dear Harry Wiggett paid tribute to
Bishop Bell, and in memory of him
we sang most heartily, "When the Sa
go marching in". They indeed must
be rejoicing in heaven as we here
give thanks to God for his life

God bless & comfort you in your
sorrow. Yours affectionately, David Wallace
